

SOMETHING STINKS IN MCI, SAYS MEMBER

'COUNCIL FORCED TO RESTORE SEATS UNDER POLITICAL PRESSURE'

STATESMAN NEWS SERVICE
Kolkata, 3 August

A day after Union Minister of Health and Family Welfare, Dr Harsh Vardhan, came down hard on the Medical Council of India for "punishing" MBBS aspirants instead of taking action against medical colleges for not complying with rules, a member of the MCI, Dr Balvir S Tomar, today claimed that the Council de-recognises medical colleges at whim and then recognises them again on political pressure.

At a seminar held at Rotary Sadan on Medical Negligence, Dr Tomar explained how the MCI cancels recognition of medical colleges on whims and fan-

MEDICAL MESS

MCI member says Council cancels recognition of medical college seats on whim, but is often forced to recognise the seats again under political pressure

■ Dr Balvir Tomar also says top MCI office-bearers MCI are chosen solely on the basis of preferences of a few, not through proper elections

cies, although in the end they are forced to recognise all the medical college seats after political pressure from respective governments.

He observed that the MCI gives recognition to medical colleges where there is an obvious lack of infrastructure, even though the council is aware that it will not

be possible for the medical college to make up the lacunae in infrastructure within a year.

It may be noted that MCI has recently cancelled around 16,000 medical seats across India, but they rescinded the decision with regard to around 5,000 seats after the chief ministers of

their state appealed to them for recognising them on conditional basis. In West Bengal, around 1,200 seats were given fresh recognition early in June after MCI had de-recognized them for lack of infrastructure.

Dr Tomar went on to claim that the president, chairman of the Medical Council of India are elected solely on the basis of preferences of a few sections, and not through any proper election method.

Narrating his experience, he said that prior to the MCI election, the doctors are invited for dinner and there the chairman and the president of the MCI are declared, with most of the doctors unaware of their qualifications.

Siddaramaiah govt can fall any time: Sadananda

PRESS TRUST OF INDIA
Bangalore, 3 August

Railway Minister and senior BJP leader D V Sadananda Gowda today said the present Siddaramaiah government in Karnataka can fall anytime and asked his party workers to get ready for elections.

"The Siddaramaiah government can fall anytime. Don't think it will continue for another three-and-half-years. It can even fall in the next three months," Mr Gowda said, addressing the BJP state SC Morcha Executive Committee Meeting here.

"Do you think there is any government in the state? You all should get ready for elections and create a wave against the sleeping Congress and Siddaramaiah's rule," he said.

Mr Gowda also flayed Mr Siddaramaiah for "neglecting" the scheduled caste and other suppressed caste people. "He rode to power on your (SC and sup-

pressed people) backs. See now, for who is he working? - you all should see this minutely," he said.

"He took out padayatra to Bellary, Ullala, Karwar and Krishna basin areas, raising a cry against scams, but after coming to power Siddaramaiah's rule has been exposed in just one year through induction of corrupt politician like Shivakumar (in the ministry)," the railway minister said.

The law and order also has collapsed in the state with sexual assault cases coming to light, the BJP minister said.

Mr Gowda claimed that Mr Siddaramaiah's rule has hit a low after the appointment of retired IPS officer M Kempaiah as advisor to Home Minister K J George.

Mr Gowda said the appointment to oversee the administrative reforms and transfers in the police department indicates the sinking of the law and order situation.

Pakistani official in Colombo shifted amid Indian pressure

PRESS TRUST OF INDIA
New Delhi, 3 August

Amid mounting pressure from India, Pakistan is understood to have quietly withdrawn its official from its High Commission in Colombo following an allegation against him that he was involved in conspiracy to target the US and Israel consulates in south India at ISI's behest.

Counselor (Visa) Amir Zubair Siddiqui had been withdrawn even before NIA's request under Mutual Assistance Legal Treaty (MLAT) reached Colombo as his presence had become untenable to his diplomatic duties, officials here said.

Pakistan, which has been on the back foot, maintained that Siddiqui's tenure had got completed in Sri Lanka and he has since returned to Islamabad.

Press Attache at the Pakistani High Commission here Muhammad Daud

Ehtisham was approached by PTI through e-mail for his comment, but he did not reply. Repeated calls and SMS on his mobile also went unanswered.

He was, however, quoted in a Sri Lankan magazine as saying "... This officer (Siddiqui) is a very much respected officer and he completed his tenure in Sri Lanka without any incident."

India has been collaborating with Sri Lankan authorities after Malaysia had unraveled a conspiracy allegedly hatched by some Lankan nationals to conduct reconnaissance of the US Consulate in Chennai and Israeli Consulate in Bangalore and carry out a terror strike.

NIA took over the case last month after it was registered by the Tamil Nadu Police. A Sri Lankan national - Sakir Hussain - was arrested after a tip off from the Intelligence Bureau as the

accused had entered India allegedly to carry out reconnaissance of the US Consulate in Chennai and Israeli Consulate in Bangalore.

Siddiqui is not new for the Intelligence Bureau as his name had cropped earlier in 2012-13 when security agencies picked up one Tameem Ansari, a frequent flier from Trichy to Colombo.

Ansari was arrested after six months of surveillance in 2012 and this was conveyed to Sri Lanka last year. Under the MLAT, signed in 2010, both the countries are required to provide assistance in locating and identifying persons and objects; taking evidence and obtaining statements; authorising presence of persons from the requesting State at the execution of requests; facilitating the appearance of witnesses or the assistance of persons in investigations.

1,000 CPI-M members to be suspended for failing to stand by the party: Gautam Deb

STATESMAN NEWS SERVICE
Kolkata, 3 August

The North 24 Parganas district secretary Gautam Deb today said about 1,000 party members would be suspended or expelled from the party for showing not enough courage to stand by the party at the time of its difficulty.

He indirectly hinted at those who did "little" for the party during last Lok Sabha poll or indirectly helped BJP or are thinking to leave the party and will join the BJP or the Trinamul Congress.

He said that party mem-

bers who do not have the courage to protest against the Trinamul Congress violence should find no place in the party. He, however, claimed, the party membership has increased in his district by 1,000 and many new faces are coming to the party.

He said the circulation of the party organ Ganashakti has to be increased. He also said that the CPI-M would welcome all Left party, however, small their membership may be to fight the Trinamul Congress and the BJP.

Mr Deb also declared that on 6 December, North

24 Parganas CPI-M will hold a huge rally at Esplanade-Central Avenue crossing where the Trinamul Congress held its Martyrs' Day rally on 21 July.

"We have decided to hold the rally on 6 December to mark the demolition of Babri Masjid as the men behind such act are now at the power at the Centre," Mr Deb told the reporters today after two days North 24 Parganas district committee meeting at its party head quarter at Allimuddin Street.

He said about 1,000 meetings would be held to mobilise about seven to eight lakh people on 6

December.

He said North 24 Parganas district committee would send three letters to the party members and general public - the first letter will deal with the failures of both Mamata Banerjee and Narendra Modi governments, the next letter would be an open invitation for the masses and the third letter would seek help for the families of the martyrs.

He said the Central Committee meeting will be held on 8, 9 and 10 August where the date and venue for the party Congress would be fixed.

PAK SIM CARD BAN EXTENDED

Jaisalmer, 3 August: Expressing concern over mobile signal spillover from Pakistan in the border district, the Collector has extended ban on use of Pakistani SIM cards here till December 3, an official said today.

Under the National Security Act, no one would be allowed to use SIM card obtained or purchased from Pakistan, the official said quoting Jaisalmer Collector N L Meena.

Within the radius up to five kilometre along the Indian border, Pakistani SIM cards used to get connectivity in Jaisalmer district, and hence the ban was extended till December 3, 2014, he added. Offenders would be punished if found guilty of using foreign country SIM card, the order said.
